

## Proclamation

### September 15, 2020

- Whereas:** In January of 2020, the Massachusetts Selectmen's Association voted to formally be known as the "Massachusetts Select Board Association"; and,
- Whereas:** Ninety-six towns in the Commonwealth of Massachusetts have taken similar action; and,
- Whereas:** A name change to the Danvers Select Board would be used in matters of general correspondence, on business cards, the website, and the like; and,
- Whereas:** There would be no changes made or proposed to the legislatively enacted Danvers Town Manager Act; now,
- Therefore:** We, the Board of Selectmen, in the interest of inclusivity, and having held public discussion of this topic, do hereby proclaim that we shall be called the Danvers Select Board on this 15th day of September 2020, and moving forward.
